Sustainment Contracting (SSC), and Systems Contracting (SC). Our team is committed to customer support and technical excellence. Our talented people work at 105 installations, including Air Force Reserve, throughout the United States and 20 foreign countries. Not only are we crucial in the development and production of new weapon systems, we are also instrumental in their fielding. Additionally, we play a critical Contingency Contracting role when we deploy side-by-side with warfighters throughout the world. We are among the first in and the last out of deployment theaters. In fact, in 1997, 41 Officers and 210 NCOs deployed for over 13,000 mandays, to over 65 locations, including Kuwait, Egypt, Haiti, Iraq, Turkey, Slovakia, Sarajevo, and the Congo. We have broad responsibilities (complex systems, logistics, science & technology, and installation support), having placed over 2.8 million contract actions involving over \$37 billion during FY97. The Air Force Contracting Team is composed of secretaries, procurement assistants, purchasing agents, cost and price analysts, contract negotiators and buyers, procurement analysts, contract specialists, contracting officers, contract administrators, small business specialists, competition advocates, supervisors, superintendents, industrial specialists, labor advisors, and commanders—all making valuable contributions to the warfighter!
